Financial Payments

At Macarthur Girls we strive to provide the very best learning environment for your daughter. Please help us support your daughter's learning by paying your general school contributions and subject materials contributions. These payments can be made in instalments if you are unable to pay in full at this time. Your continued financial support enables us to maintain our programs to the high standard that we currently enjoy.

Statements of Accounts will be emailed to the primary parent/carer at the beginning of each term. Payments are easily made by clicking on the School Bytes link on the emailed statement. Alternatively, payments can be made online, accessed from the front page of the school's website <http://www.macarthurg-h.schools.nsw.edu.au/> by selecting \$ Make a payment. Payments can also be made by students at the office before school, at recess and during the first half of lunch. Cash, Eftpos and Credit Cards are accepted, but online payments are preferred.

At Macarthur Girls High School, we aim to create the future. The learning community will continue to focus on enhancing and enriching the potential and achievement of all students. I look forward to working in partnership with you and your daughter during her time at this school.
